Shift:2nd

Roll:420654

Subject name:Object Oriented Programming

Subject Code:66641

Job no:20

Job name:do-while loop

```
Program.cs  X
Program
    using System;

        class Program
        {
            static void Main(string[] args)
            {
                int i=1;
                do
                {
                    Console.WriteLine(1);
                    i+=2;
                }
                while (i <=10);
                Console.ReadKey();
            }
        }
        //any loop-- 1. intilialization, 2. condition, 3.incremenet/decrement or iterator
```
